Friendship is a rare  
and precious thing  
It is not to be bought or sold  
It is not to be given or taken  
It is to be loved and cherished  
And to be remembered  
I think only of you.

Yours truly,

You have a long list of friends  
A long and solid chain  
And while I add this link to the end  
May it not be there in vain.

Good wishes I find wherever I go  
No need of a wish from me  
But I will wish, as your life is to day,

sweetens our care, softens our
